

Restriction Requirement
Application No. 10/779,446

Docket No. 5000-1-522

REMARKS

By this Office Action, the Examiner has required restriction to one of the following inventions under 35 U.S.C. §121:

Species I corresponding to FIG. 3

Species II corresponding to FIG. 4

Response to the Requirement for Restriction, Applicants elect to prosecute the invention of Species I, with traverse Claims 1-7 and 10-14.

No fees are believed to be necessitated by the foregoing Response. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 502-470 for any underpayment, or credit any overages.

In view of the above, withdrawal of the Requirement for the Restriction is requested, and an early action on the merits of the Claims is courteously solicited.

Respectfully submitted,

Steve S. Cha
Attorney for Applicant(s)
